

TRANSPORT CART SPECIFICATIONS

SportPanel® Transport Cart:

The Transport Cart can carry up to 20 SportPanel fence panels either standing up or laying flat. Two carts will hold an entire field. The removable uprights make it easy to load/unload. Can be connected to nearly any vehicle (tractor, mower or ATV) with a hitch (sold separately). Made of heavy-gauge SQ galvanized steel tubing frame and 10" pneumatic tires for effortless mobility. Weight: 89 lbs.

Optional Multi-Hitch Attachment:

Connect two carts together to deploy an entire field at once. And use the hitch to attach the cart to towing vehicle. Weight: 4 lbs.

Optional Wicket/Connector Tray:

Store anchoring wickets in this convenient storage tray. Attaches securely to Transport Cart. Weight: 11 lbs.

We thank you for choosing SportPanel for your outfield fencing needs, the world's #1 selling outfield fencing.
